Subject: 201 Dodge

Mr. Marquez, I would like to thank you for taking the time out of your busy schedule to meet with us on this concern. As we discussed with you the south end of Dodge St. in front of the UPRR ramp is very congested with the Mexican drivers dropping containers in the street on both sides. This is not only a hazard to other motorists but to pedestrian traffic as well. When there are containers and parking of trucks on either side of this street the traffic flow is seriously effected. I'm asking that the police enforce the city's traffic codes and regulations and keep drivers from congesting this area. I feel that being proactive with enforcement from EPPD along with signs stating No Parking Tow Away Zone that the possibility of someone having a serious accident will be prevented. Again thank you for your time on this matter.

Jay Blobner
